Stay safe this Holiday season!

Traditional Thanksgiving gatherings with family and friends are fun but can increase the chances of getting or spreading COVID-19 or the flu. Follow these tips to make your Thanksgiving holiday safer.

The safest way to celebrate Thanksgiving this year is to celebrate with people in your household. If you do plan to spend Thanksgiving with people outside your household, take steps to make your celebration safer.

Everyone Can Make Thanksgiving Safer

Wear a mask

Wear a mask with two or more layers to stop the spread of COVID-19.

Wear the mask over your nose and mouth and secure it under your chin.

Make sure the mask fits snugly against the sides of your face.

Stay at least 6 feet away from others who do not live with you

Remember that some people without symptoms may be able to spread COVID-19 or flu.

Keeping 6 feet (about 2 arm lengths) from others is especially important for people who are at higher risk of getting very sick.

Wash your hands

Wash hands often with soap and water for at least 20 seconds.

Keep hand sanitizer with you and use it when you are unable to wash your hands.

Use hand sanitizer with at least 60% alcohol.
